

Advisory

It has come to the notice of the school that some unscrupulous persons / institutions are promoting fraudulent messages / calls through several Social Media Platforms and through telephonic conversation regarding admission, fee waiver and rebate in school fees.

All the students and parents are advised to remain alert and vigilant from such fraudulent messages / calls because these people lure by giving many kinds of temptations.

Therefore, in this regard, it is communicated to all the students, parents and other stakeholders that do not believe on such information.
